

CDSRA Newsletter

August/September 2007

The summer in Alberta is winding down quickly. Calgary will play host to the minor soccer provincial tournament with U16 boys and girls (Tier I) and U18 girls (Tier I and II). Our own Dereck Illingworth will be the referee in chief for this tournament to be held at the Calgary Soccer Center. There will be a number of CDSRA members that have been appointed to this tournament. Good luck on the field and have a great tournament.

On the Labour Day weekend, Soccerfest (the Senior Provincial Soccer Tournament) will run in Edmonton. Again a number of CDSRA referees, assessors and RDC representatives will be representing Calgary and our association in Edmonton. Good luck to all again.

There are two major CDSRA events happening in September. The first will take place on Friday September 14th starting at 2:00 at Mackenzie Meadows Golf Course. The CDSRA golf tournament has been a great success in past years, and we are looking to continue that success by having another great tournament this year in a new location at a new time of year. All the information that you should need about the tournament is that it will cost you \$115 to play 18 holes including your dinner after golf. Golf cart rental (power or pull) is extra. There is a registration form for the golf tournament on the CDSRA website. Fill it out and send it off to the CDSRA post office box ASAP.

On Tuesday September 18th, the CDSRA will host our indoor refresher starting at 7:00pm at the Optimist Arena meeting room. You will have to register for the course through the referee manager. The instructor for this year's course is Richard Sansregret. Before the refresher there will be a short Special General Meeting to approve a bylaw revision and to get a financial update from our treasurer.

Looking into the future, the October ART class will have two topics. One will be gamesmanship within the game, and the other topic will be how to best write a misconduct report. The November ART class will be an open forum of sorts where the CDSRA will invite a number of officials from other sports in Calgary to discuss some of the things that are working well for them regarding education, upgrading, assessments, community and camaraderie, etc. We are really excited about having a good turn out for this class.

Have a great summer, and we look forward to seeing you all at upcoming CDSRA events.
